SUCCESSFUL PARTICIPATION AT EMBALLAGE – WORLD PACKAGING EXHIBITION 2008

Emballage 2008 delivered 101,730 trade visitors from November 17th-21st 2008 at Paris –Nord Villepinte. Again; the world packaging exhibition offered the opportunity to find out about the latest trends in equipment and packaging.

MetPro took the opportunity to officially launch its new subsidiary MetPro France SAS onto the French marketplace. Rick Earley CEO, “despite the current economic situation, the exhibition was held in a business and exchange climate, as shown by the highly qualified visitors’ profile. More than 80 percent of the visitors were senior executives with real investment needs and with requirements for more and more competitive packaging solutions”
